**PROFESSIONAL SPORTSCARE & REHAB
OPENS NEW CLINIC IN SHEPHERDSTOWN, WV**

—Top provider of physical therapy and sports medicine services offers high quality care—

Shepherdstown, WV January 13, 2008-- Professional SportsCare & Rehab, a top provider of physical therapy and sports medicine services, announces the grand opening of its new clinic in Shepherdstown, WV. The clinic, which is conveniently located in the Maddex Professional Center, across from the Shepherdstown Volunteer Fire Department, features a state-of-the-art facility.

“I am excited to be serving this community,” said Clinical Director Christopher Horowicz, DPT, ATC. Horowicz, who lives in Shepherdstown with his wife and two children, earned a doctorate degree in physical therapy from the University of Utah and is a certified athletic trainer. “We have created an intimate setting which promotes the highest quality, one-on-one care for each and every patient.”

Professional SportsCare and Rehab provides comprehensive, personal, physical therapy services and specializes in sports medicine, general orthopedics, total joint rehab, post-operative care, arthritis management, auto accidents, sprains/strains and neuromuscular pain. The clinic is dedicated to the needs of every patient under its care—whether he or she is a recreational, student or professional athlete or needs treatment due to a non-sports related injury—and is committed to working with the highest standards of ethic and professional ability.

Hours of operation are Monday through Friday 7 am to 7 pm. Professional SportsCare & Rehab is now accepting new patients.
